A student who has completed high school (grades 9-12) courses while in 7th and 8th grade shall be given high school credit which shall be applied to fulfilling graduation requirements if:

- A. The course was taken with high school (grades 9-12) students, or course name, content, and rigor that has been designated by policy as a high school course, and
- B. The student successfully passed the course by completing the same course requirements and examinations as high school students.

The course will be entered on the student's transcript as a high school course unless the parent or guardian declines high school credit within 60 days following the first interim progress report of the quarter. Once a grade is entered on the transcripts it cannot be changed.
